Join Donna M. Ferris on May 7-10, 2015 as we stop and do all the above in sacred space of the Heart Center, Wise Women and Harmony Farm.

We will go deeply together into realms we have forgotten but will be remembered to us. With support of the healing land of Harmony Farm and surrounded by Barbara Brewer's new home, Honu House, we will each be shifted and augmented to continue our life journey more fully and aware.

This very special women's retreat will begin Thursday evening, May 7 at 7:00 pm and continue through Saturday evening with a celebratory dinner. A Sunday morning meditation will also be available for those able to attend.

Investment of \$350 includes: *

- All retreat materials
- Snacks
- Tea/coffee
- Celebratory dinner
